### **Music Notes**

As he meditated on the story of Jesus and Mary Magdalene in the garden on the morning of the resurrection, song writer C. Austin Miles (1868-1946) felt as if he were standing there witnessing the intimate friendship between Mary and her Lord. Reverently he thought, "This is not an experience limited to a happening almost 2000 years ago but it is the daily companionship with the Saviour that makes up the Christian's daily walk." The words and music he wrote following that experience became one of the most loved Gospel hymns of all time. Take time this week to have "garden time," quiet time daily with Jesus.
